Re: Treasurer's Report to September 30th, 2020

Hi everyone – here below is a summary update on Fellowship finances. In the case of the latest P&L and Balance Sheet it's to September 30th. It will not include all the detailed adjustments from the bank reconciliation and investment statements. That information will be rolled in by next report. Nonetheless the report is a reasonably accurate snapshot. Feel free to ask questions at treasurer@urantiabook.org

- 1) **Fellowship will Benefit from a Remainder Trust** this is now near final settlement as concluding steps are being made to move the Trust into a Fellowship investment account at Wells Fargo.
- 2) **Investments** The following are excerpted from the three adviser reports as of the end of September. Our investments dropped a little over the month of September but are still ahead of the growth + interest + dividends forecasted for 2020. The goal is to get as close as we can to the 2020 budgeted investment growth plus income of 5%. As of Sept 30th overall portfolio growth has been about \$142,000 or roughly 8.5% annualized. I am optimistic we will meet our investment growth + income of 5% even if the markets take another hit before year-end. Please note that unrealized growth (Gains) in our investment base (eg a stock that goes up in value but we keep it rather than sell it) is not recorded as income on the Profit & Loss (P&L) statement. This is instead an adjustment made by our CPA (long-time UB reader Gloriann Harris) directly to equity at year-end. This may cause the P&L to look a little different than planned because unrealized capital income skips around the P&L and goes directly to Equity on the Balance Sheet. The P&L reports actual income not income "on paper".

- 3) Second Miler Development Fund in accordance with the accepted plan the Treasurer reported to the EC what the maximum allocation should be for the next fiscal year (2021) based upon 1/7 of the liquid assets in excess of \$1.5 million on the Balance sheet as of August 31st, 2020. This calculation resulted in a maximum of \$84,294. The EC agreed to set the figure at \$55,000 for 2021 with provision for a review, up or down, depending upon financial circumstances in view of market volatility. The EC will soon be asked to consider the first five applications received this fall with the early launch.
- 4) <u>IT and Committee Expenditures</u> –Total standing committee spending is at \$33,096 with the 2020 budget approved at \$94,425. The under spending by Committees is understandable given the pandemic.
