Join the Pre-Conference Retreat at Summer Study Session 2025

A spiritual pre-conference retreat has been a feature of Urantia Book Fellowship conferences for many years.

This day-and-a-half event is an opportunity to join with brothers and sisters in an extended time of prayer and worship. Often, participants form a circle of trust in which they experience quality of soul sharing in a sacred space.

This year's conference venue, Unity Village in Missouri, is ideal for a spiritual retreat of this nature. The 1,200 acre campus, headquarters to the Unity global spiritual community, incorporates a nature walk, exquisite gardens, intimate chapels, a labyrinth, and many spaces for reflection, communion, and relationship building.

The retreat topic is coordinated with the conference theme, this year's being "Partnership with God, Day by Day." It will be hosted by Gard Jameson, Bobbie Dreier, and Carol Schindler.

This summer the retreat will begin on **Tuesday, July 29**, and end the following day, before the conference opens. It is usually limited to 30 participants. Meal and lodging information for the pre-conference is available on the registration form by clicking the links at the bottom.

Summer Study Session 2025

Unity Village, Kansas City, Missouri

Wednesday, July 30 – Saturday, August 2

The *SSS25 Planning Team* is working to create a wonderful conference for you.

We have wonderful plenary speakers lined up to enhance the theme of this summer's conference. We plan to allow more time to wander the beautiful grounds, engage in worship, and enjoy ample social time for making new friends and connecting with our siblings. We also plan to add a bit of humor to the mix.

The meals will be healthy and enjoyable thanks Unity's new highly recommended caterer, DeVine Catering. We will better be able to accommodate food preferences.

Please contact the Chair of SSS25, Jackie Koury, with any comments, questions, or suggestions.

God is our eternal, spiritual partner! Originating as a 13th century hymn, and later used as the theme song in the theatrical play titled, *Godspell*, the song "Day by Day" is the theme we have chosen for SSS25.
