

Reading Guide for Preparing Input on the Governing Board Concept

The proposed SCICR constitution replaces the current General Council and Executive Committee with the Governing Board and Management Team. The Governing Board is tightly interconnected with many other parts of the functioning Fellowship. This reading list points at what we see as the most relevant other sections. If you want a more complete picture, you can search for ‘board’, ‘director’, and so on, or simply read the full documents.

In our current Fellowship Constitution

Triennial Delegate Assembly, Article VI. Read all of this.

The General Council, Article VIII. Read all of this.

Officers, Article IX. Read all of this.

Executive Committee, Article X. Read all of this.

In the proposed new constitution
